Through **EVANGELISM**, we reach those who seek and those who suffer, those who are just beginning a journey of faith, and those who have been faithfully attending church for many years.

Through **CATECHESIS**, we seek to explain the truths of our Catholic faith and equip our members with apologetic tools to understand and give an account of what we believe.

Through **FORMATION**, we lead our members in the Gospel's life-long call to personal holiness through prayer, the sacraments, study, and worship.

Through **DISCIPLESHIP**, we discover what it takes to be a true disciple of the Lord Jesus Christ. As disciples we can evangelize more effectively and draw nearer to our Lord.
